In the morning the a-symbolize head National Youth Commissioner Jerry Romonio and PSW Youth Commissioner Kay Nakagiri express their concerns and delights regarding the youth program. Med after a hinch prepared especially by some long their hilds to hith reduce costs for the youth delagates, a nand discussion was held. The panelists were Jerry Ecomoto, kay Nakagir. Nakagiri and tamemola conside things out and some questions were raised with the parelists.

Enconcia rounded things out any source of the parabase. The concluding segment was an informal youth discus-sion dealing with a rationale for Jr. JACL and the possible formation of a district youth council in PSWDC. During this same tinty portion adult youth advisers met to discuss but often heard individuals give a tirade on aspects

to discuss but offen heard individuals are of youth work. In the evening I was scated next to Nisel Relay queen endidate Patty Ro of Pasadena, listening to the banquet paeches, amouncements, introductions and all. My claim to fame during the dinner occurred when I with very sifty polse kept hinding Patty "Kiener" lisues as her name was announced as 1965 Nisel Relays Queen.

INFORMAL BOARD MEETING -- Morning, church ser-vices and breakfait came carly that Sunday after an exhaust-ing dance the night before. Greater part of my Sunday was spent with National officers discussing national programs

NEW LOOK AT OFFICE — After such a busy weekend, Modday moraing eamie ail too soon . but, alas, down to the So Calif. JACL Office where I "hang my hait". National Pre-ident Kumeo was there looking impressively organized writ-ing fus columns for the PC. On Turesday Mike Massaba, another Long Beach convention leftover, dropped in to say hello. And Wednesday, the new office desks and chairs came to give the place a new look. Routine correspondence and calls finled out the remainder of my first week as a JACL

COUNTY HUMAN RELATIONS COMMISSION — A trip to the Los Angeles County administration building found me sitting across Julius Klein, consultant to the county human relations commission. We such an Particle economission. We spoke on various aspects of the up & coming PSWDC youth advisors workshop, which will be a series of three meetings relating the various concerns which they will face in working with youth. The workshop is slated for July 11. It promises to be an enlightening seminar on youth work.

TO THE PACIFIC NORTHWEST — Last weekend (May 15-16) caught me hedge-hopping to Scattle and Portland.
