Honolule, Hawail -FACIFIC PARADISE — If a Hawaiian flip Van Winkle Si Japanese counterpart, Taro Urashina, could return isoclulu today after a 25-year absence, he d have good one to wonder whether the anvigator, and been hitting whether. A start of the start of the start of the start target of the start of the start of the start of the start and the street are choked with the kind of traffice are nose between Miami Beach's impressive row of hotels tar. Angeles. High rise apartments to seve over the sands whether and the streets are choked with the kind of traffice are nose between the street are choked with the kind of traffice reminds milliand visifors unpleasantly of home. Honolulu is buttling with activity befitting the capital of the 50th State. The building industry is booming. In y and agriculture are represented here in the vast, noisy are that is the bole pincepinghe canners, the world's large. Telense is still the big money-sport terminal hall in scherasting loads of tourists with money in heir pocked. Bart is deft of traffic and the pince and the pocked. Bart is deft of traffic and there hands. Honolulu, Hawail

What is left of tropical langour is confined largely to a is known as the Outer Islands, meaning the islands er than Oahu, where Honolulu is located. Mattersof fact, degeable tourists head straight from the Honolulu air-to Maui or Kauai, where magnificent resort hotels have built, without ever going into Honolulu. .

REPORTER ON DUTY — Dick Gima, veteran reporter sk Star-Bulletin, was on hand at the airport when I flew is take part in the Asian-American Women Journalists genece at the magnificent East-West Center on the Uniference at the magnificent East-West Center on the Un-sing of Hawaii campus Gima, it turned out, is an enter-ming gentleman who belies the idea that the tropies make hanness. He teaches English as a full time member of the aby at a junich thigh school. then hurrise off to put in a 4 on the newspaper as a general assignment reporter esh ealso writes a column about Japanese movies and trainers. On top of that he has a half-hour interview gam each Sanday on K200, a buingual radio station ented by Heover Tateishi and his wife. Maggie Gima points out that it takes this sort of effort to put wyomgsters through college, which he is doing. Two of an eff on the mainland. A surprising number of Hawaiian afte are seiding their sons and daughters to the main-der their educations, and at considerable personal sacri-

In this regard, Nisel families in Hawali are carrying on re the issei left off. The Issei came here largely as laborcane and pincapple plantations, but hey were able to ber children the educations they meeded to move info as and the professions, to take an important role in politics, and teach in the schools.

biller, and the procession, to take an important role in ball politics, and teach in the schools. One unlooked-for result of this push for education is fibral is losing a significant jortion of perhaps its most halte resource, its young people. Faced by a limitation of primity—by the vary nature of the island economy, and discrimination—many mainland-educated Samsei engineer W is interested in aeronautical-engineering. He gets his ming on the mainland; and that's where he remains to it, simply because there is no work in his field back bome. **PERSONALITIES** — In an all-too-brief visit to Hawali, all the pleasure of meeting a number of interesting people.

FRESORALITIES — In an all-do-brief visit to Hawaii. Ibe pleasure of meeting a number of interesting per-lifies. Y. Baron Goto, vice-chancellor of the East-West rt, for example. And Judge Ben Tashiro and Toh Yama bdi forth on Kamai. And a perky little number named ake of whom a great deal will be heard before long. Tm.

We'll introduce them to you in forthcoming columns. STORE FOR MR. SHORT"
